Sensitive

Thurston Moore

Sensitive
Who says a man's not suppose to be?
(Sensitive, Sensitive)
I'm keepin' the faith that you still love me
Hoh
Girl, I know there's somethin' wrong
And somethin' strange is goin' on
And no matter what I do
It's like a wall I can't break through
Girl, I need to understand
'Cuz you won't give me answers
How can I help you
If you don't want me to?
I never hear you laugh
I never see you cry
Never heard you say you need a love like mine
See, I'm givin' you everythin' that's inside
But you need to fill me up
'Cuz you're not playin' with the flame
Girl, you won't get burned
You know that's not the kinda thing I do
I guess I need to get what I give
(I said)
What can I say, girl?
I'm sensitive
Ain't nobody out to control
You, what you stand for
Baby girl, I really need to know
Do or don't you want this love?
(This love)
Won't you help me understand?
Girl, I really need some answers
How can I help you
If you don't want me to? Yea
(To)
I never hear you laugh
I never see you cry
Never heard you say you need a love like mine
See, I'm givin' you everythin' that's inside

But you need to fill me up
'Cuz you're not playin' with the flame
Girl, you won't get burned
You know that's not the kinda thing I do
I guess I need to get what I give
What can I say, girl?
I'm sensitive
Sensitive
(That's right)
Who says a man's not supposed to be?
Sensitive
I'm keepin' the faith that you still love me
Sensitive
Baby, I'm not ashamed to be
(I'm not ashamed girl)
Sensitive
(Sensitive)
Baby, I love you
But, is it time to let you go?
I don't know where we are girl?
And you won't let me know
I never hear you laugh
I never see you cry
Never heard you say you need a love like mine
(Love like mine)
See, I'm givin' you everythin' that's inside
But you need to fill me up
'Cuz you're not playin' with the flame
Girl, you won't get burned
You know that's not the kinda thing I do
I guess I need to get what I give
What can I say, girl?
I'm sensitive
I never hear you laugh
I never see you cry
(Never)
Never heard you say you need a love like mine
See, I'm givin' you everythin' that's inside
But you need to fill me up
'Cuz you're not playin' with the flame
Girl, you won't get burned
You know that's not the kinda thing I do
I guess I need to get what I give
What can I say, girl?
I'm sensitive

I never hear you laugh
I never see you cry
Who says a man's not suppose to be?
See, I'm givin' you everything that's inside
I'm keepin' the faith that you still feel for me
'Cuz you're not playin' with the flame
Girl, you won't get burned
You know that's not the kind of thing I do
I guess I need to get what I give
What can I say, girl?
I'm sensitive
