Stronger Together

D-Side

They all said it wouldn't last
That it was never meant to be
Thought commitment was too much to ask
Just another hopeless dreamWe stood our ground, and kept our faith
Held on to all the things that we believe
I made it throug the test of our time
Now we'll let the doubters seeWe are stronger than ever
Growing day by day
No matter what they say
We are stronger together
Don't care what they say
Got to keep our faith
Keep our faithDid it matter our decision
They may have a grudge to bare
But if they only had our vision
They'd understand the way we feelWe are stronger than ever
Growing day by day
No matter what they say
We are strobnger together
Don't care what they say
Got to keep our faith
Keep our faithDoesn't matter what they say
You know we're gonna make it anyway
Cos we're stronger togetherWe are stronger than ever
Growing day by day
No matter what they say
We are strobnger together
Don't care what they say
Got to keep our faith
Keep our faith
