

# Chop Off Their Genitals

## Agathocles

child prostitution, sex-holidays, state turns a blind eye  
sick rich bastards, want kids to abuse, which have no say  
a fuck for a buck, a buck for food, but it's no excuse  
for forced prostitution, to survive, when these kids will always loose  
child prostitution, sex-holidays, state turns a blind eye  
sick rich bastards, want kids to abuse, which have no say  
a fuck for a buck, a buck for food, but it's no excuse  
for forced prostitution, to survive, when these kids will always loose
