

# Step Up

## Drowning Pool

One, two, three, go  
Broken  
Yeah, you've been living on the edge of a broken dream  
Nothing  
Yeah, that's the only thing you'll ever take away from me  
I'm never gonna stop and never gonna drop  
Ain't no different than it was before  
So take some good advice, you better stop and think twice  
Before you take your first step out that door  
If you wanna step up  
(Step up)  
You're gonna get knocked down  
(Knocked down)  
If you wanna step up  
(Step up)  
You're gonna get knocked down  
You had your chance to walk away  
Live to see another day  
If you wanna step up  
(Step up)  
You're gonna get knocked down  
(Knocked down)  
You're gonna get knocked down  
Suffering  
Yeah, that's the only thing here that's left for you  
Nothing  
Yeah, that's the only thing you're ever gonna, can do  
I'm never gonna stop and never gonna drop  
Ain't no different than it was before  
So take some good advice, you better stop and think twice  
Before you take your first step out that door  
So if you wanna step up  
(Step up)  
You're gonna get knocked down  
(Knocked down)  
  
If you wanna step up  
(Step up)  
You're gonna get knocked down

You had your chance to walk away  
Live to see another day  
If you wanna step up  
(Step up)  
You're gonna get knocked down  
(Knocked down)  
You're gonna get knocked down  
You're gonna get knocked down  
And now you've crossed that line  
You must be out of your mind  
Go  
If you wanna step up  
(Step up)  
You're gonna get knocked down  
(Knocked down)  
If you wanna step up  
(Step up)  
You're gonna get knocked down  
You had your chance to walk away  
Live to see another day  
If you wanna step up  
(Step up)  
You're gonna get knocked down  
(Knocked down)  
You're gonna get knocked down  
You're gonna get knocked down  
(Step up)  
You're gonna get knocked down  
You're gonna get knocked down  
(Step up)  
You're gonna get knocked down
