

Orally Tortured

Waco Jesus

Violently I grudge fuck your mouth
Broken jaws allow you to deep throat
Bleeding your teeth smashed in
Physically and orally tortured
Pleasure me anally then orally
Unable to breath slowly suffocating
Grabbing her head shoving it completely in
Orally tortured
orally tortured
orally tortured
orally tortured
Venereal warts cover my dick
Sores from sex infect you orally
Scabs fucked off my lymph secretes
I'm coming releasing with each stroke
Swallowing immediately you vomit
I still hard repeat the process
Bitch
