Smile Like You Mean It

The Killers

Save some face, you know you've only got one
Change your ways while you're young
Boy, one day you'll be a man
Oh girl, he'll help you understandSmile like you mean it
Smile like you mean itLooking back at sunsets on the East side
We lost track of the time
Dreams aren't what they used to be
Some things sat by so carelesslySmile like you mean it
Smile like you mean itAnd someone is calling my name
From the back of the restaurant
And someone is playing a game
In the house that I grew up in
And someone will drive her around
Down the same streets that I did
On the same streets that I didSmile like you mean it
Smile like you mean it
Smile like you mean it
Smile like you mean itOh no, oh no no no
Oh no, oh no no no
