

There's No Penguins In Alaska

Chiodos

She loves me, she loves me not
My love was so decayed
She loves me, she loves me not
He repeated to himself over and over
These petals decide what's next for you and I
Never resting time, leads summer on, leads summer on
Never resting time, leads summer on, leads summer on
The worst was, the worst was this
My love was my decay, my love was
My love was my decay, my love was
Finding oneself in such murderous shame
Playing roulette with a flower
Mislead devotion into seclusion
Devotion, devotion
Scream loud as you want to
Scream loud as you want to
There's no way that they can hear you
There's no way that they can hear you
Never resting time, leads summer on, leads summer on
Never resting time, leads summer on, leads summer
Never resting time, leads summer on, leads summer on
Never resting time, leads summer on, leads summer on
I'll stop stabbing
When you stop screaming
