

5013 Intro

Soulja Boy

DZ

BZ

Soulja

Fifty nigger, thirteen

Everybody smoking, more green

I mix that purp with them B's nigger

I mix that purp with them bins nigger

Fifty nigger, thirteen

Everybody smoking, more green

I mix that purp with them B's nigger

I mix that purp with them bins nigger

My nigger young lo did a lot of stag

That louie brief case that's a lot of money

I hit the block with a ton of chronic

You see my closet, that's a ton of money

These niggers talking but don't know the words

What a riot all my niggers instead of flipping words

Fuck what you heard, I grind hard

So every time you see me bitch I shine hard

Rolex, that's fifteen

Whole block, about ten bins

Infrared on the silencer

Disrespect young lo i might silenced u

It's Soulja Boy in the funny ocean

Gold on deck wiping Bentley slow motion

Middle finger to the fucking sky

I'm getting money, counting bread while I'm stupid high

Fifty nigger, thirteen

Everybody smoking, more green

I mix that purp with them B's nigger

I mix that purp with them bins nigger

Fifty nigger, thirteen

Everybody smoking, more green

I mix that purp with them B's nigger

I mix that purp with them bins nigger

I walk outside my office everybody work

Five thousand bins, two pounds of purp

Time to hit the pussy nigger, the way it hurt

If you standing on this earth bitch go to work

In my turf we get in there first
Pull up, top off, her pussy get moist
She in love with the street nigger
And we in love with that beef nigger
Fuck, what you heard is fifty nigger
Thirteen fuck around and rip you nigger
My young nigger's getting in quicker
Gold on deck Louie interior
Bitch I'm hungry I'm a take the pot
Bitch I'm hungry I'm a break the Plock
Fuck what you heard bitch we going up
Niggers see my new chain start throwing us
Fudgy allows when we rolling up
Point at the Z nigger when we point up
Numb the shooters when we showing up
Number ocean gang toed up
Fuck what you heard he's a lour nigger
Fuck what you heard he's a lour nigger
I get it in just might deal wit dem
I get it in just might deal wit dem
Fifty, thirteen, bin
Hurt with them B
