

Communication

INXS

Light beams from outer space
Drifting to your satellite
Your dish responds Communication, disinformation
So entertaining
Blood money, blood money
It's wild in here
There's a girl on the floor
She's gonna blow this place apart
Gonna take us all, all away Communication, disinformation
So entertaining
Blood money, blood money
It's wild out here
You should see the light
From the crown of the king
The king of the night Spinning metal blue satellite
Your dish responds Communication, disinformation
So entertaining
Blood money, blood money
It's wild out here
Situation's alright
Gonna keep up the lies
And our version of life I won't leave this dirty place
I'll stay here 'til the end
The lights are on
So Action Man, show us the truth Communication disinformation
So entertaining
Blood money, blood money
There's a war out here
There's a bomb on the floor
Gonna blow this place apart
Gonna take this show away Gonna take this show away
Gonna take this show away
Gonna take this show away
You're not so bad
I'll be your judge
You're not so bad
