

Like an Animal

Abraham Mateo

Te puedo oler se que estas por aqui... Mi piel se eriza por ti

Y escucho fuerte latir mi coraz n

Es fuerte y ya sale el depredador que ya no puede pensar

Que muere por tu calor

Come on, come on yeah Se abren mis pupilas al verte encendida,

Come on yeah

Se llena de saliva mi boca furtiva a feel.

Like an Animal

You make me feel,

Like an animal, Baby time oh

Like an Animal You make me scream

Like an Animal

Give me one how

Like an animal Oh, Oh like an Animal x4 Contigo no puedo usar la raz n Contigo manda el amor

Y pronto pierdo el control

Come on eh

Sube la adrenalina al sentirte viva Come on yeah

Noche de luna llena y el pulso se acelera

A feel

Like an Animal

You make me feel,

Like an animal,

Baby time oh

Like an Animal

You make me scream

Like an Animal

Give me one how

Like an animal Oh, Oh like an Animal x4 Like an Animal x4 Se abren mis pupilas al verte encendida oh

Se llena de saliva mi boca furtiva a feel.

Like an Animal

You make me oh

You make me

Like an Animal

You make me

You make me feel,

Like an animal,

Baby time oh

Like an Animal

You make me scream

Like an Animal
Give me one how
Like an animal Oh, Oh like an Animal x2
