

The Suite Theme

Maxwell

{ Yeah
Closer
Let's take some time
Sip your wine
That's it
Do you want mine's too?
Nice}{ Come on
Ooh yeah, yes
Hey, hey
Scream} Don't go away, baby
Don't go away, baby
Hang a while longer darlin'
If you don't mind
I know, I know darlin'
If you don't mind, baby
Then hang with me, baby
Hang with me, baby
Yes Keep hanging just a little while longer, baby
Keep hanging just a little while longer, baby
Keep hanging just a little while longer, baby { Don't go
Stay with me okay
Promise me that you'll care for me
Promise that you'll marry me }
