

# Beautiful Life

## Jenny Jordan Frogley

Sun's up here I go again  
yesterday's gone, another day begins  
I can't wait to jump right in  
oooooh,

It wasn't always like it is today  
once I was livin' in a darker place and,  
I'm only here by his grace

and I feel so alive  
I can't keep it inside  
I've gotta smile, I've gotta say  
for the joy each new day brings  
I'm gonna shout it out, I'm gonna live it loud  
I love this dream I'm in  
yeah, it's a beautiful life  
a beautiful life

I've got someone to love  
I've got the sun and the stars above  
angel's watchin' over me, yeah  
oooooh

I see myself in the master plan  
when I fall I can get back up again  
It's-oooh such a beautiful gift  
oooooh-yeah

and I feel so alive  
I can't keep it inside  
I've gotta smile, I've gotta say  
for the joy each new day brings  
I'm gonna shout it out, I'm gonna live it loud  
I love this dream I'm in  
yeah, it's a beautiful life

Some days I laugh, some days I cry  
Some days I don't see the reason why,  
but all this good oh where's the bad

well there's no reason to be feelin' sad

and I feel so alive  
I can't keep it inside  
I've gotta smile, I've gotta say  
for the joy each new day brings  
I'm gonna shout it out, I'm gonna live it loud  
yeah,

I've gotta smile, I've gotta say  
for the joy each new day brings  
I'm gonna shout it out, I'm gonna live it loud  
I love this dream I'm in  
oh, the love, I love this dream

It's a beautiful life  
oh...., oh...  
beautiful, beautiful life  
ooooh..
