

# Groovy Little Hippie Pad

## Zz Top

I'm gonna find me a groovy little hippie pad  
I'm gonna find me a groovy little hippie pad  
I work a hundred grand scam from a border town  
Well, I'll be feeling glad  
I'm gonna find me a blond-haired mama  
In a Jeep with a German Shepherd by her side  
I'm gonna find me a blond-haired mama  
With boots and a forty-four on her side  
And if I ain't too high or used up  
I'll have her take me for a groovy little hippie ride  
I'm gonna fix brown rice every day  
And drink down a bottle of Midnight Red  
I'm gonna fix brown rice every day  
And drink down a bottle of Midnight Red  
That's all I need to get groovy  
That's what all th-th-the hippie says
