

Groovy Little Hippie Pad

Zz Top

I'm gonna find me a groovy little hippie pad
I'm gonna find me a groovy little hippie pad
I work a hundred grand scam from a border town
Well, I'll be feeling glad
I'm gonna find me a blond-haired mama
In a Jeep with a German Shepherd by her side
I'm gonna find me a blond-haired mama
With boots and a forty-four on her side
And if I ain't too high or used up
I'll have her take me for a groovy little hippie ride
I'm gonna fix brown rice every day
And drink down a bottle of Midnight Red
I'm gonna fix brown rice every day
And drink down a bottle of Midnight Red
That's all I need to get groovy
That's what all th-th-the hippie says
