

Big Girls Don't Cry

KIDZ BOP Kids

La da da daLa da da da
The smell of the air lingers with me now
You're probably on your flight back to your hometown
I need some shelter of my own protection baby
To be with myself and center clarity peace serenityI hope you know I hope you know
That this has nothing to do with you
It's personal myself and I
We got some straightening out to do
And I am going to miss you like a child misses a blanket
And got to get a move on with my life
It's time to be a big girl nowThe path that I'm walking
I must go alone
I must take the baby steps 'til I'm full grown, full grown
Fairytale don't always have a happy ending, do they?
And I foresee the dark ahead if I stayI hope you know I hope you know
That this has nothing to do with you
It's personal myself and I
We got some straightening out to do
And I am going to miss you like a child misses a blanket
And got to get a move on with my life
It's time to be a big girl nowLike the little school mate in the school yard
We'll play jacks and uno cards
I'll be your best friend and you'll be my Valentine
Yes you can hold my hand if you want to
'Cause I want to hold yours too
We'll be playmates and lovers and share our secret worlds
But it's time for me to go home
It's getting late, dark outside
I need to be with myself and center, clarity
Peace, SerenityI hope you know I hope you know
That this has nothing to do with you
It's personal myself and I
We got some straightening out to do
And I am going to miss you like a child misses a blanket
And got to get a move on with my life
It's time to be a big girl nowLa Da Da Da Da Da
