Afro

The Ipanemas

Excuse us ladies and gentleman
One, two

You need to pick your afro daddy
Because it's flat on one side
You need to pick your afro daddy
Because it's flat on one side
What are you waiting on

Well if you don't pick your afro
You gonna have one side high, ha, ha

Well, you said you was gonna take me to see Wu-Tang baby
So I braided my hair, well, yes you did
You said you was gonna take me to see Wu-Tang baby
So I braided my hair, yes I did, corn roll and everything baby

Well, you changed your mind and said we wasn't going
But my momma saw you there
Yes she did, check this out, one time

Well I be blowing up your pager daddy
But you never called me back
Well I be putting in 9-1-1 baby
But you never called me back, no, no

See if you don't know how to use that pager daddy
I'm gonna take that hoe back, yes I will
