

Jesse James

Clay Walker

I was raised doin' right from wrong
Baptized under that old rugged cross
I try to be a good man, I always give it my best
But truth be told some days I wanna go to the wild wild west
Chorus:
I wanna line 'em up and drink 'em
I wanna love 'em and leave 'em
Sometimes I just wanna rob a train
Be the first draw in the high noon sun
And feel the kick of my six gun
Yeah, I want "WANTED" above my name
Sometimes I wanna be like Jesus
Sometimes I wanna be Jesse James
I know where to draw the line
But there's just something 'bout that other side
I got angels on my left, and demons on my right
It's a never ending battle, its a constant fight
Chorus I wanna steal a horse and ride into town
Stare the sheriff down
Tell him there's a new man around here
I wanna walk through those swingin' saloon doors
And hear my spurs hit the wooden floor
I wanna smell nothin' but fear, ya hear?
Law don't go around here
Chorus You hear that law dog?
Law don't go around here
