

# If These Are Good Times

## Dog Eat Dog

Yeah yeah look here what I got for you  
I can hear you inside screaming  
feed me the juice  
There's nothing left for you to do  
I got get mine no time to be sorry  
If these are good times  
Hey man ya got some spare change  
for me brother?  
All I need's a little somethin'  
You see me sittin' here face to the gutter  
All'ya pass me by ridin' high  
If the last one dead's a rotten egg  
Maybe I'm better off a bad egg  
All we know  
If these are good times
