

Wait for Me

Kings of Leon

Gonna open my heart, out of the scars and listen up
Gonna do what I'm told, though I'm told and listen up
Take a shot in the rain, one for the pain and listen up
I traveled the way Wait for me, wait for me
Oh, it's all better now, it's all better now
Wait for me, wait for me Gonna soften the blow, soften the blow and give it up
I saw the surprise, the look in your eyes, I gave it up
Gonna be who I am, be who I am, and give it up
I traveled the way Wait for me, wait for me
It's all better now, it's all better now
Wait for me, wait for me
Oh, it's all better now, it's all better now
Wait for me, wait for me
Oh, it's all better now, it's all better now
Wait for me, wait for me
