Mind Your Own Business

Jimmy Dean

If the wife and I are fussin' brother that's our right
'Cause me and that sweet woman got a license to fight
Why don't you mind your own business?
(Mind your own business)
I said, "Mind your own business"
(Mind your own business)If you mind your own business
Then you won't be mindin' mineNow the woman on the party line's a nosey thing
She picks up her receiver when she knows it's my ring
Why don't you mind your own business?
(Mind your own business)
Hey mind your own business
(Mind your own business)I said, "If you mind your own business"
Then you won't be mindin' mineWell I got a little gal that wears her hair up high
The fellows all whistle when she walks by
Why don't they mind their own business?
(Mind your own business)
Yeah, mind your own business
(Mind your own business)Oh mind your business
And you won't be mindin' mineIf I wanna honky tonkin' round till two or three
Brother that's my headache don't you worry 'bout me
Why don't you mind your own business?
(Mind your own business)
Yeah, mind your own business
(Mind your own business)I said, "Mind your business"
Then you won't be mindin' mineWell I tell a lot of stories that may not be true
But I can get to heaven just as quick as you
So mind your own business
(Mind your own business)
Yeah, mind your own business
(Mind your own business)Oh, mind your business
Then you won't be mindin' mineMindin' other people's business seems to be high tone
But I got all that I can do just to mind my own
And I'm gonna mind my own business
(Mind your own business)
Yeah, mind your own business
(Mind your own business)If you mind your business
Then you won't be mindin' mineRest is yours friend
I am perfectly capable of taking care of
My own affairs, and I'd appreciate it if

You get out of here and keep your big mouth shut
