

Some Day (Blue Is My Middle Name)

Ray Charles

Dark day people
I know things will come my way
Some day people
I know things will come my way But as of now it seems
To live it just don't pay My body is made of heartaches
Blues is my middle name
My heart is made of heartaches
Blues is my middle name Makes no difference how hard I try
I'm mistreated just the same Everyone's against me
I don't care where I go
Yes, everyone forgets poor me
I don't care where I go But I feel that someday, somehow
Hard luck will leave me I know
