

Half Loved

[Janis Martin](#)

Well the party is through, we said our good-byes
We had a good time, yet there's tears in my eyes
 what can it be, what's the matter with me
 You left me half loved
We stood in the dark and you held my hand
 Why were you afraid, I can't understand
I wanted your kiss, but it's always like this
 You left me half loved
 you hold me close, everytime we danced
 Am I a fool, to think that I had a chance
 To hope, you see, I'm your big romance
 Baby that's why I'm in the dark
 my friends have all said
 To love you is wrong
They say you're too young, but I'll string along
Someday you'll wake up and then I'll make up
 For bein' half loved
