

# Midnight Man (Extended Version)

## Sandra

(Kemmler/Cretu - Kemmler/Hirschburger)

strangers  
talkin' bout my life  
changes  
they're gonna take my side  
revelation  
in a station  
is followin' a man  
an' right in this moment  
i'm in torment  
hear your voice again  
i say man  
you're my midnight man  
can't escape your voice on the radio  
i try it but i can't  
for i need you badly  
man  
you're my midnight man  
hold me in your spider web  
midnight man  
rages  
tearin' up my mind  
pages  
i'm skimmin' to kill time  
far 'till morning  
hear a warning  
from the borderline  
an' right in this moment  
i'm in torment  
hear your voice again  
i say man  
you're my midnight man  
can't escape your voice on the radio  
i try it but i can't  
for i need you badly  
man  
you're my midnight man  
hold me in your spider web

midnight man
