Light up the Sky

Nemesea

When i look into your eyes
And hold your hand
You say that you're alright
But you're notThese old scars don't seem to heal
We'd like to believe
That it'll be all right
But it's not, no it's notSo from now we'll play these songs with open strings
Yes from now we'll play these songs with open strings
May we light up the sky
Let us light up the sky
When the seasons pass us by
With inner cries
We say that it's all good
But it's not, no it's not, noAnd now we're breathing with a smile
We know we've lost it for a while
It's time to let go
Let it go go go'Cause from now we'll play these songs with open strings
Yes from now we'll play these songs with open strings
May we light up the sky
Let us light up the sky'Cause from now we'll play these songs with open strings
Yes from now we'll play these songs with open stringsMay we light up the sky
Let us light up the sky
Lighting up, Lighting up, Lighting up, Lighting up
Lighting up the sky
Lighting up, Lighting up, Lighting up, Lighting up
Lighting up the sky
