

# Drinking In The Woods

Jimmy Fallon

I don't wanna, do we have to?  
I don't wanna, do we have to? Don't wanna go down and drink in the woods  
We could get some mad dog and hang out in my garage  
I got a ping pong table I don't wanna, do we have to?  
I don't wanna, do we have to? Don't wanna drink in the woods, it sucks  
Sit with 20 dudes in a pickup truck and we're gone  
I got my thermals on Gatorade bottles filled with warm Smirnoff  
Got too close to the fire burn my eyebrows off  
I puked by the tree, I pee in the grass  
And you get poison ivy all over your ass, you're in the woods Don't wanna drink in the woods tonight  
The last time I did I got into a fight with some guy  
Who graduated 3 years ago Paid 5 bucks for a plastic cup  
Foam is spillin' out and it won't fill up  
So I pumped that tap, with my best friend  
And he flipped me over for a keg stand  
(Keg stand)  
I'm drinkin' in the woods I'm drunk  
Tree trunk  
I'm drunk  
Tree trunk
