

Hardest Word to Say

Jack Blades

Rain keeps fallin I keep callin out your name
The voice I'm hearin though it just don't sound the same
Started out so strong we were livin on this high
With just one whisper it disappeared I don't know why So many times, I've tried to pretend
Livin on the road it never ends
Don't know how, or where to begin
I need you to know just how I'm feelin I don't want to be the one to say
No cause I don't want to see you cry
I don't want to be the one to do this
No no
Cause in this life I'm learnin
The hardest word to say is good-bye
I never imagined I could ever feel this way
In a million years I never thought I'd see the day
I wish that somehow we could get back to those highs
In the world we lived in, it was only you and I So many times, I tried to pretend
Caught up in the lie that's closin in
Don't know how, or where to begin
I need you to know just how I'm feelin I don't want to be the one to say
No cause I don't want to see you cry
I don't want to be the one to do this
No no
Cause in this life I'm learnin
The hardest word to say is good-bye-Break-Rain keeps fallin I keep callin out your name
The voice I'm hearin though it just don't sound the same
I don't want to be the one to say
No cause I don't want to see you cry
I don't want to be the one to do this
No no
Cause in this life I'm learnin
The hardest word to say is good-bye I don't want to be the one to say
No cause I don't want to see you cry
I don't want to be the one to do this
No no
Cause in this life I'm learnin
The hardest word to say is good-bye Yeah, in this life I'm learnin
The hardest word to say is good-bye
Good-bye
