## Still

## **Lasgo**

Time goes by still I care for you

Love can be tough, cannot deny itI have learned and all thanks to you
You give and you take, theres no way around itI may not know the things I should say
Know that my heart is in the right placeDo you still feel the way I do?

Do you still feel the way I do?

I have to know can you forgive me?

I know that we can make it right

If you still feel the way I doDo you still feel the way I do?

Do you still feel the way I do?

I have to know can you forgive me?

I know that we can make it right

If you still feel the way I doCant rewind the times I've hurt you I was so wrong, I learned it the hard wayI may not know the things I should do Know that my heart is in the right placeDo you still feel the way I do?

Do you still feel the way I do?

I have to know can you forgive me?

I know that we can make it right

If you still feel the way I doDo you still feel the way I do?

Do you still feel the way I do?

I have to know can you forgive me?

I know that we can make it right

If you still feel the way I do
