

Dream of Life

Sammy Davis, Carmen McRae, Ray Bryant

Na, na, na, na, na
Na, na, na, na, na I'm with you always, you're ever on my mind
In a light to last, a whole life through
Each way I turn, the sense of you
Surrounds in every step I take in all I do Your thoughts your schemes
Captivate my dreams
Everlasting, ever new Sea returns to sea
And sky to sky
In a life of dream am I
When I'm with you Deep in my heart, how the presence of you shines
In a light to last a whole life through
I recall the wonder of it all
Each dream of life, I'll share with you Sea returns to sea
And sky to sky
In a life of dream am I
When I'm with you I'm with you always, you're ever on my mind
In a light to last a whole life through
The hand above turns those leaves of love
All and all a timeless view Each dream of life
Flung from paradise
Everlasting, ever new Dream of life
Dream of life Na, na, na, na, na
