

Where the Boys Are

[Connie Francis](#)

Where the boys are, someone waits for me
A smilin' face, a warm embrace, two arms to hold me tenderly
Where the boys are, my true love will be
He's walkin' down some street in town and I know he's lookin' there for me
In the crowd of a million people
I'll find my valentine
And then I'll climb to the highest steeple
And tell the world he's mine
Till he holds me I wait impatiently
Where the boys are, where the boys are
Where the boys are, someone waits for me
Till he holds me I wait impatiently
Where the boys are, where the boys are
Where the boys are, someone waits for me
