

# Only in Dreams

## Duran Duran

Only in dreams girl am I part of your world  
My heart it screams or so it seems  
Only in dreams Only in my in my dreams only in my dreams  
Only in my in my dreams only in my dreams Only in dreams girl where my crime goes unheard  
What does it mean to fly the scene  
Only in dreams girl There's a vampire in the limousine  
Sun's going down like a symphony  
She keeps a guard up while her nails are wet  
I don't want to wake up Only in dreams I'm in dopamine time  
It's in my genes, it get's extreme  
Only in dreams How did I dream you  
You're the queen of steel dunes  
Look what you done my colors run  
When ever you come to There's a vampire in the limousine  
Sun's going down like a symphony  
She keeps a guard up while her nails are wet  
I don't want to wake up There's a vampire in the limousine  
Sun's going down like a symphony  
She keeps a guard up while her nails are wet  
I don't want to wake up On the rooftop we can feel the drop  
She bathes in the moon while the shadows watch  
I should be nervous but my eyes forget  
I don't want to wake up  
I'm not gonna wake up  
I don't want to wake up Only in my in my dreams only in my dreams  
Don't want to wake up  
Only in my in my dreams only in my dreams  
Don't want to wake up  
Dreams, dreams, dreams, dreams
