

Estimated Prophet

Burning Spear

My time coming, any day, don't worry about me, no
 Been so long, I felt this way, I'm in no hurry, no
 Rainbows and down that highway where ocean breezes blow
My time coming, voices saying they tell me where to goDon't worry about me, nah, nah, nah, don't worry about
 me, no
And I'm in no hurry, nah, nah, nah, I know where to goCalifornia, preaching on the burning shore
 California, I'll be knocking on the golden door
 Like an angel, standing in a shaft of light
Rising up to paradise, I know, I'm gonna shineMy time coming, any day, don't worry about me, no
 It's gonna be just like they say, them voices tell me so
 Seems so long I felt this way and time sure passin' slow
Still I know I lead the way, they tell me where I goDon't worry about me, no, no, no, don't worry about me, no
 And I'm in no hurry, no, no, no, I know where to goCalifornia, a prophet on the burning shore
 California, I'll be knocking on the golden door
 Like an angel, standing in a shaft of light
Rising up to paradise, I know I'm gonna shineYou've all been asleep, you would not believe me
 Them voices tellin' me, you will soon receive me
 Standin' on the beach, the sea will part before me
Fire wheel burning in the airYou will follow me and we will ride to glory
 Way up, the middle of the air
And I'll call down thunder and speak the sameAnd my work fills the sky with flame
 And might and glory gonna be my name
And men gonna light my wayMy time coming, any day, don't worry about me, no
 It's gonna be just like they say, them voices tell me so
 Seems so long I felt this way and time sure passin' slow
My time coming, any day, don't worry about me, noDon't worry about me, no, no, no, don't worry about me, no
 And I'm in no hurry, no, no, no, don't worry about me, no
