

Exit Does Not Exist

Modest Mouse

Does not exist, take an exit
Does not exist, take an exit I hear voices insinuatin'
Feeds me lyrics to this
Song that I am sayin' Sunlight 7:20 PM, early September
Standin' lookin' at a photograph
That you do not remember bein' taken
You look out of breath and me like I am fakin' As a matter of fact
I don't recall this photo being taken
You don't even actually exist
So I just started shakin'
