

# Because

## Julian Lennon

Dave clark

From dave clark's 1986 musical "time" It's right that I should care about you  
And try to make you happy when you're blue  
It's right, it's right to feel the way I do  
Because, because I love you It's wrong to say I don't think of you  
Cause when you say these things  
You know it makes me blue Give me one kiss and I'll be happy  
Just--just to be with you Give me, give me a chance to be near you  
Because, because I love you It's wrong to say I don't think of you  
Cause when you say these things  
You know it only makes me blue Give me one kiss and I'll be happy  
Just--just to be with you  
Give me, give me a chance to be near you  
Because, because I love you  
Because, because I love you
