

# La Petite Morte

## Blood On The Dance Floor

Do you know what the french call an orgasm?  
La Petite Morte, The little death..  
Let's die a little! Any last words? The feeling of mortality is locked in your grip  
I can feel my life sinking as it's starting to slip  
An ultimate universe, delicious and dark  
So open up your mind and take your car out of park Look into the mirror and tell me what do you see  
The other side is staring back at you and me  
We're screwin' with fate  
We've got a date with death  
Love me till you take out my last dying breath Hear the voices of the lost souls calling  
Succumb so sweetly as your heart rate's falling  
Swim the ocean to the darkest depths  
Get closer and closer and closer to death I will be your little death  
Wrap your hands around my neck  
Every little touch brings me closer to death  
Open up and suck out my last dying breath You can never use me  
You can never abuse me  
Life is beginning to slip away  
Devine sintervention  
La Petite Morte I wanna know what's under that filthy dress  
Don't you wanna touch my evil creeping flesh  
Put your lips on my vain  
And your hands around my neck  
Take me to a place I haven't been to yet I've gotta warn you, this is a suicide  
To take my middle finger for a fucking ride  
Don't you, don't you, don't you close your eyes  
Because you're more alive right before you die I will be your little death (Fuck me, daddy)  
Wrap your hands around my neck  
Every little touch brings me closer to death  
Open up and suck out my last dying breath You can never use me  
You can never abuse me  
Life is beginning to slip away  
Devine sintervention  
La Petite Morte Take my life slice by slice  
I'll be your sweet murder  
Sex and death, breath by breath  
Orgasmic revelation I will be your little death  
Wrap your hands around my neck  
Every little touch brings me closer to death

Open up and suck out my last dying breath  
You can never use me  
You can never abuse me  
Life is beginning to slip away  
Devine sintervention  
La Petite Morte  
Orgasmic revelation
