

Tainted Love

Imelda May

Sometimes I feel I've got to
Run away I've got to
Get away
From the pain that you drive into the heart of me
The love we share
Seems to go nowhere
And I've lost my light
And I toss and turn I can't sleep at night

(chorus)

Once I ran to you
Now I'll run from you
This tainted love you've given
I give you all a girl could give you
Take my tears and that's not nearly all
Oh...this love you give me
Tainted love

Now I know I've got to
Run away I've got to
Get away
You don't really want any more from me
To make things right
You need someone to hold you tight
And you'LL think love is to pray
But I'm sorry I don't pray that way

(chorus...)

Don't touch me please
I cannot stand the way you tease
I love you though you hurt me so
Now I'm going to pack my things and go

(chorus...)

I've had too much tainted love
I don't want this tainted love
Oh tainted love (x3)
