

One Shot

Mario Vazquez

Ooh yeah, ha ha, yeah
If I were a builder then you'd have a castle
To drive on the highest mountain
And if I were a billionaire, I'd give you every material thing
But unfortunately all I have to give to you is an imperfect heart
But it's a heart that beats only for you
Listen to this girl if you give me one shot
I will love you forever now, no man will do you better now
Love is a risk but if you give me one shot
I will show you, you're the only girl in the world who can
Give me this feeling, baby, that's how I feel about you
You're one in a million, I'd rather die than live without you
We can't miss so if you give me one shot
We can do it girl
(We can do it girl)
Do it girl
I'm talkin' 'bout love in the mornin' just like you want it
Anything you need you can call me for it
Now girl I'm only human, I'm full of many faults
I'm guaranteed to fall short
(Guaranteed to fall)
But you'll never hear about me cheating
'Cause I never would betray your trust, no matter what
I will look to you and only you for love, I treat your soul like it was mine
What a privilege to me to breathe your air, doesn't that say that I care?
Listen to this girl if you give me one shot
I will love you forever now, no man will do you better now
Love is a risk but if you give me one shot
I will show you, you're the only girl in the world who can
Give me this feeling, baby, that's how I feel about you
You're one in a million, I'd rather die than live without you
We can't miss so if you give me one shot
We can do it girl
(Do it girl)
Do it girl
I'm talkin' all my heart, all my soul
Always stay, never go, oh yeah, oh, oh, oh, yeah, oh, yeah, oh, oh
But unfortunately all I have to give to you is an imperfect heart
But it's a heart that beats only for you
Listen to this girl if you give me one shot
I will love you forever now, no man will do you better now
Love is a risk but if you give me one shot
I will show you, you're the only girl in the world who can
Give me this feeling, baby, that's how I feel about you
You're one in a million, I'd rather die than live without you
We can't miss so if you give me one shot
We can do it girl
(Do it girl)
Do it girl
I'm talkin' 'bout everyday , every night

The rest of your days, the rest of your life Listen to this girl if you give me one shot
I will love you forever now, no man will do you better now
Love is a risk but if you give me one shot
I will show you, you're the only girl in the world who can Give me this feeling, baby, that's how I feel about you
You're one in a million, I'd rather die than live without you
We can't miss so if you give me one shot
We can do it girl
(Do it girl)
Do it girl
