# I Shall Be Released

## Peter, Paul & Mary

They say everything can be replaced
And yet every distance is not near
So I remember every face
Of every man that put me hereAnd I see my light come shinin'
From the west down to the east
Any day now, any day now
I shall be releasedThey say every man needs protection
They say every man must fall
But I swear I seen my reflection
Somewhere so high above this wallThen I see my light come shinin'
From the west down to the east
Any day now, any day now
I shall be releasedYou're standing next to me in this lonely crowd
Is a man who says he's not to blame
And all day long I hear him crying so loud
You're shouting out that he was framedBut I see my, I see my light come shinin'
From the west down to the eastc
Any day now, any day now
I shall be releasedI see my light come shinin'
From the west down to the eastc
Any day now, any day now
I shall be released
Any day now, any day now
I shall be released
