God Hates Astronauts (Outro)

Tub Ring

Year Is Nineteen Eighty Five
And It's A Miracle You're Still Alive
We Need Another Tragedy
To Show The World Who's Boss
And Then You'll SeeSince I Flew
Did Things To Me
All I Knew
Different StoryThink Small
Act Small
Be SmallPast Falling Onto Smooth Sailing
Witness Earth Trailing Far BehindWives Balling Cause Now God's Calling
And All Hope Is Falling From Their MindsSince Man Was Born
He Knew The World
Was Too Small For His Mind
And Dreams Were Made
To One Day Reach The Sky
And God Held Out A Helping Hand
Intending To Be Kind
And Pompous Man Just
Gave It A High FiveLunar Race

And All Hope Is Falling From Their MindsGod Hates Astronauts
And God Hates Astronauts
Cause God Hates AstronautsWhat Nietzsche Said Is Far From True
Because I'm Far About Still Watching You
And When You're Orbiting Though Heaven's Skies
Your Will To Power Falls Before It FliesSince I Flew

Into Your DestinyAstronaut Where Are You Now
You're Hiding In A Room
Where No One Will Assume
You're An Astronaut
Dry Those Weary Eyes
And Come To Out Space
To Join The Human Race
