

I Am What I Am

Village People

I am, I am, what I am, what I am, what I am, what I am, I'll be, I'll be
I am, I am, what I am, what I am, for the rights, for the rights, of man, hey People have the right to be just who
they are
People have the right to share all of their love
People have the right to share just what they give
The right to their free will. I did not choose the way I am, I did not choose the way I am,
I said I am what I am, This is my fellow man
I did not choose the way I a-a-am, I did not choose the way I am,
I said I am what I a-a-am, Please try to understand,
I did not choose the way I a-a-am, I did not choose the way I am
I said I am what I a-a-am, I am just a man,
I was born into this wor-or-orld, Born into this world,
I said I am what I a-a-am, I am what I am, hey, alright Say it, say it y'all
I am, I am, what I am, what I am, what I am, what I am, I'll be, hey, alright
I am, I am, what I am, what I am, for the rights, for the rights, of man, listen here People have the right,
regardless of their skin
People have the right to let God's love come in
People have the right to truly be your friend
To love is not a sin. I did not choose the way I am, I did not choose the way I am,
I said I am what I am, This is my fellow man
I did not choose the way I a-a-am, I did not choose the way I am,
I said I am what I a-a-am, Please try to understand,
I did not choose the way I a-a-am, I did not choose the way I am
I said I am what I a-a-am, I am just a man,
I was born into this wor-or-orld, Born into this world,
I said I am what I a-a-am, I am what I am, hey Everybody, everybody say it with me y'all
I am, I am, what I am, what I am, what I am, what I am, I'll be, hey, alright
I am, what I am, what I am, what I am, for the rights, for the rights, of man, yeah People have the right to live
with who they please
People have the right to live there happily
No one has the right to choose my love for me
I was born free. I did not choose the way I am, I did not choose the way I am,
I said I am what I am, This is my fellow man
I did not choose the way I a-a-am, I did not choose the way I am,
I said I am what I a-a-am, Please try to understand,
I did not choose the way I a-a-am, I did not choose the way I am
I said I am what I a-a-am, I am just a man,
I was born into this wor-or-orld, Born into this world,
Oh, I am what I a-a-am, I am what I am, hey I did not choose the way I am, I did not choose the way I am,

I said I am what I am, This is my fellow man
I did not choose the way I a-a-am, I did not choose the way I am,
I said I am what I a-a-am, Please try to understand,
I did not choose the way I a-a-am, I did not choose the way I am
I said I am what I a-a-am, I am just a man,
I did not choose the way I a-a-am, Born into this world,
Hey, I am what I a-a-am, I am what I am
