Hearts Are For When You Want To Love Someone

Collin Raye

Trees are for climbin?
And holes are for diggin? in
Friends are for when you?re havin? fun
And hearts are for when you want to love someone
Dogs are for huggin?
And cats are for puttin? up with
Birds are just lookin? at
And heads are for when you have to wear a hat
Dads are for bein? with
And doin? things, and helpin? Mom out
And Moms are for talkin? to
And telling things that you can?t tell anyone
Ears are for hearin? your father call
And eyes are for seein? when it?s dark
Legs are for when you have to run
And hearts are for when you want to love someone
Brothers always take your things
And they break your things, and eat your candy
And sisters always tell on you
And they cry a lot when they got no reason to
Feet are for puttin? your shoes on
And hair is for lookin? nice in school
And hands are for foldin? when your book is done
And hearts are for when you want to love someone
