The Broken Bones

MxPx

When the day is done, we can have our fun
When we see the sun go down
We start our night out on the town
Bundle up it's cold
Let's hit the street we're getting old
We're wearing ourselves thin
And tomorrow night we'll do it again
We're the broken bones, whoa
We're the broken bones, whoa
We're the broken bones
BMX all night
Goosetops, rooftops, midnight flights
When you see us from the hill
Move yourself, we ride to kill
We'll ride in your town too
Cause we're a touring crew
From Seattle to L.A
Chicago to New York to Tampa Bay
We're the broken bones, whoa
We're the broken bones, whoa
We're the broken bones, whoa
We're the broken bones, whoa
We're the broken bones, whoa
We're the broken bones, whoa
We're the broken bones!!!
