XUL

Behemoth

(music and lyrics by Nergal)the son ov morn
what made me so divine?
I, transcending ecstasy through ecstasy
I who am eternally defined by my Willlead: Sethbehold I am the spawn of downcast Ariman
awakened, yet am no longer human
kindle me to Thy rapture
as I descend into SheolHiva! hear my call!
transform my flesh into flame
Hiya! hear my cry!
sustain my being in million-fold formsbackground lead: Nergalour creed: the living flesh
our law: trespass all the laws
since NUIT is our refuge
and HADIT becomes our lightlead: Nergalall stirs within
tis chaos in and above me
In the world ov nether-nether
"I" infinite space is all-consumingbehold! I am unending!
the consciousness ov "I" shines universally
unbound by wretched dogma
I spew my will forth!
hell is democracy!background lead: Nergalall things exist in me
I believe in naught save myself
my sermon steadfast and proud:
there is nothing but god in me!all things stir in me
with joy and suffering
my sermon steadfast and proud:
there is nothing but god in me!lead: Karl Sanders
