

Pretty Like Drugs

Queen Adreena

In vein, I seek farther, the needle closer, the little endThe world is watching as I take my last breath

The world is watching as I get undressed

Coz I'm pretty like drugsThe world is watching as my wings unfurl

The world is watching the death of a girl

Coz I'm pretty like drugsI load the gun and I'm out of the world, and I take it harder, coz oh

Pretty oh

Pretty like drugs

I load the gunThe world is watching with a pregnant pause

The world is watching as I fuck to applause

The world is watching as I plant the last seed

The world is watching me watching tv

Coz I'm pretty like drugsI load the gun

I wax and wane

Subject all of my pain

Onto you baby

Coz I'm pretty like drugs
