Multifoiled

Cocteau Twins

No longer multicolors, multifoiled
No longer multicolors, multifoiledI'm multifoiled and time opens wounds, yes
I'm no longer multicolors, I'm just multifoiledMore worthless love for I'm all lackluster
I'm no longer multicolored, I'm just multifoiledYears were filled again that died of what was sweetest
I'm no longer multicolors, I'm just multifoiledMore worthless love for I'm all lackluster
I'm no longer multicolored, I'm just multifoiledMore worthless love for I'm all lackluster
I'm no longer multicolored, I'm just multifoiled
