

4 Just 1 Day (Orchestra Version)

Kai Tracid

For just one day
I wanna break all regulations,
because we all go the same way,
and we all pass the same stations. For just one day
I wanna feel totally free.
No responsibilities, just everything is O.K.
No desires, just surviving is the key. For just one day
I wanna ignore our senseless fate,
colours are victorious over the grey,
stop to get controlled by the state. For just one day
I wanna forget the value of money and gold,
I wanna live life my way
and loose my inhibition threshold
