

Suckaz

Gucci Mane

I sold so many jays, been locked on so many times
I had to grind to shine, I fire up bout mine
I did a homicide, I m ready to die bout mine
Committed genocide, I testified bout mine
I live a life of crime, I served ... served times
Bitch I got 6 for 5, cool with 2 pass at a time
You better recognize, I put my neck on the line
Bitch I do 7 times, you better respect my mind
And all we mixing pies, I got a tec out of 9
And all we fixing pies, I m serving 3 at a time
I hit the lick to shine, I love how... blind
That s how it is sometimes, I keep my hand on the 9
It s Gucci
You gotta move your feet, no holiday go
I m stepping no toes, I m stepping no toes
I m stepping no toes man
On shindo number 4 s I got that... I m in that super sport
Hood fredo oh
A sucka bout the all the jewelery
A sucka bout the all the louie
The suckaz got the rim new bentley
Finessing got my wrist so blueishI m alleable, condo with a great view of the sailor boats
Coke clean as a baby, as nigga ...to get it here
Shout out to my cartel bitch fix me a cocktail
My block do cartwheels, got keys like a locksmith
I met a bitch so bad, I gave her keys to a mark 6
Versace my glasses, I skip down my classes
My top in the trash, I left my top with my last bitch
Moved on to another home, trade a rent for a yellow bone
For diamond chest they throw my neck, it look like a ...bone
It s Gucci and Shawty, thank the lord that we beat the case
No haters can holler, cause I think I need a hearing aid
You gotta move your feet, no holiday go
I m stepping no toes, I m stepping no toes
I m stepping no toes man
On shindo number 4 s I got that... I m in that super sport
Hood fredo oh
A sucka bout the all the jewelery
A sucka bout the all the louie

The suckaz got the rim new bentley
Finessing got my wrist so blueish.
