Drench

Deformity

Come and fight back
Need some help here
Bail us out
In up to our necks
Drenching never stops
Fish us outThere's a light there to steer it
A fear that is peeling
And soaking us up
Into a slow-motion freezer
Division is leaving
Everything stopsIt's overexposure
You stop running off on me
It's overexposure
You stop running offCome and fight back
Need some help here
Bail us out
In up to our necks
Drenching never stops
Fish us outDid you forget what you came in for?
Still shaking the rain off
Fresh from the storm
So we saved up the good stuff
And scrapped for the life raft
Pistols at dawnIt's overexposed
And only tit and teeth remain
It's overexposed
Keep your filthy hands offCome and fight back
Need some help here
Bail us out
Had it up to here
Drenching never stops
Fish us outCome and fight back
Need some help here
Bail us out
In up to our necks
Drenching never stops
Fish us outCome and fight back
Need some help here
Bail us out

Had it up to here
Drenching never stops
Fish us out
Fish us out
Fish us out
Fish us out
Fish us out[Incomprehensible]
