

Money

Manic Drive

As long as my heart's beating
And my lungs are breathing
Don't need no blank checks
Don't need no black Rolex
As long as my heart's beatingCause I got a heart of gold
And my soul can never be sold
I've been blessed a thousand times fold
And you can never buy me out, noNo I will never sell my soul
For all the money
All the money in the world
No you can never take control
For all the money
All the money in the world
For all the
Money in the world
All the money in the world
For all the
Money in the world
All the money in the worldDon't need no vault of money
Don't need my own treasury
Oh cause my life is saved
I'm gonna keep the change
Don't need no vault of moneyCause I got a heart of gold
And my soul can never be sold
I've been blessed a thousand times fold
And you can never buy me out, noNo I will never sell my soul
For all the money
All the money in the world
No you can never take control
For all the money
All the money in the world
For all the
Money in the world
All the money in the world
For all the
Money in the world
All the money in the worldA penny for my thoughts
Oh better yet, I'll give them free
Oh yeah cause money don't mean anything

If cash can't buy me love
Then I don't need no currency
So all them dollars ain't worth nothingCause I got a heart of gold
And my soul can never be sold
I've been blessed a thousand times fold
And you can never buy me out, noNo I will never sell my soul
For all the money
All the money in the world
No you can never take control
For all the money
All the money in the world
For all the
Money in the world
All the money in the world
For all the
Money in the world
All the money in the world
For all the
Money in the world
All the money in the world
For all the
Money in the world
All the money in the world
