

I've Been Lonely (For So Long)

Mick Jagger

Won't somebody help me please
'Cause I've been lonely for so long
Don't seem like happiness will come along
I've been lonely for so long
Don't seem like happiness will come along Things ain't quite right over my head
Everybody seems to be throwing rocks in my bed
Just can't get ahead in life
Bad things I do ever turn out right Won't somebody help me please
'Cause I've been lonely for so long
Don't seem like happiness will come along
I've been lonely for so long
Don't seem like happiness will come along I lay awake almost every night
Tryin' to figure out how to make things right
There's got to be a better way I know
To shake this monkey because it's making me so Somebody help me please 'Cause I've been lonely for so long
Don't seem like happiness will come along
Well I've been lonely for so long
Don't seem like happiness will come along I lay awake every night
Try to figure out how to make things right
There's got to be a better way I know
To shake this monkey because it's making me so Won't somebody help me please
'Cause I've been lonely for so long
Don't seem like happiness will come along
I've been lonely for so long
Don't seem like happiness will come along
