

# Bittersweet

## Blue Six

Say it and know,  
You got inside of me.  
I've given it all to be where you are...  
Foolin' around, with something you don't need,  
I'm here with him now...but your love it bitter sweet.Tell me what's been going on  
Is there something I don't see?  
You and I been feelin' wrong  
Look in your eyes and I know it isn't me.Feeling the sound,  
That's moving inside of me,  
I look in your eyes to see where you are.  
Playin' around with something you don't believe,  
I'll be with him now, but your love is bitter sweet.Every once in a while  
I can see an image of you and I.  
With miles to go 'til the sea,  
The look in your eyes, there's a clear blue sky, longing to be free.You've got inside of me.  
I've given it all to be where you are  
Foolin' around, with something you don't need,  
I'm here with him now, but your love it bitter sweet.Feeling the sound,  
That's moving inside of me,  
(Said I'd love to love to love you baby)  
I look in your eyes to see where you are.  
(oh I'd love to love you baby)  
Playin' around with something you don't believe,  
(Said I'd love to love to love you baby)  
I'll be with him now, but your love is bitter sweet.Want to be where you are.  
Said I'd love to love to love you baby...
